Good morning Parents, Guardians/ Students,

Before we begin the group sessions, let us thank God for keeping us safe so far. We pray to the Almighty for the whole world to heal the world of Coronavirus as soon as possible. We pray for all those who are working day and night to save lives.

We thank God for your teachers who have been working very hard to keep you in touch with your studies.

Since March 27th we have been having weekly lessons. Hope you have completed all the tasks given by your teachers. Remember, all these will be assessed when you come to school and will be marked for your Subject enrichment activities to add up to the final marks for promotion to next class.

Class LKG to Class III students will have lessons posted WhatsApp from Monday to Friday. Saturdays are going to lighter days for them to do music, art sports activities available on school website. Please follow each subject teacher's instructions to send the tasks for review and assessment.

Today onwards, we are beginning regular classes for main subjects from Monday to Friday within the given time only. (See the Timing )  
On Saturday you'll have home works to complete and Art, Music, Sports activities can be downloaded from school website.

Groups are created only for classes not for personal chats. Follow the guidelines given by your teachers and cooperate with them. Avoid yes ma'am, ok ma'am / sir, making unnecessary comments, good mornings, good nights etc. Politeness is the keyword to follow in online classes. This will bring you maximum benefit from the class.

Be on time to begin the classes. Participate well.

Stay home, stay safe!

Happy Learning!

God bless all.
